Subject : WASH Education, Poster Design

The Ministry of National Education (MoNE), with the technical and financial assistance of UNICEF, implements the WASH Education program in boarding schools. One part this program entails, as per suggestion of the WASH Education technical team and approval of your general directorate, the development of poster designs via technical and financial support of UNICEF. These posters are planned to be distributed to every primary and lower secondary schools throughout Turkey. The consultant designed 8 different posters in the areas of 'hand washing,' 'oral and dental health,' 'general body hygiene,' 'food hygiene,' and 'food safety' as per suggestions and recommendations of the concerned MoNE staff and the technical team. Enclosed please find these posters. We would like to receive your authorization for appropriateness of the enclosed posters. If the MoNE staff will participate in the field visits, please provide us with the names of the MoNE staff as well.

Please respond to us in writing by December 9, 2015 with your approval of the appropriateness of the posters for use in primary and lower secondary schools, your authorization of the distribution of the posters to all primary and lower secondary schools in Turkey, the numbers of schools (by level) and the addresses of the Provincial and/or District Directorates of Education, where the posters will be distributed.

Sincerely,

Mehmet Buldu, Ph.D.
Chief of Education, OIC
